PRIMESOIL

GLOBAL LLP

“FROM PRIMESOIL TO YOUR TABLE”

Company Introduction

Primesoil Global LLP is an India-based exporter and supplier partner of agricultural products, offering a portfolio of spices, pulses and herbs for international markets.

We work with buyers to understand their product requirements and coordinate product selection, specifications, packaging, documentation and shipment arrangements according to the agreed order requirements.

What We Offer

Agricultural Product Portfolio

Spices, pulses and herbs in selected product forms for different buyer requirements.

OEM & Private Label Support

Custom packaging and labelling coordination based on the buyer's brand and order requirements.

Export Coordination

Support with order coordination, documentation and shipment planning throughout the export process.

About Primesoil Global LLP

Your Export & Supply Partner from India

Primesoil Global LLP is an Indian export and supply partner focused on spices, pulses, herbs, and selected agricultural products. We work to connect buyers with suitable Indian agricultural products while supporting clear communication, product-specific requirements, and international order coordination.

Our approach is built around understanding buyer needs, coordinating with reliable supply partners, and supporting the requirements of each export order. From product selection and packaging discussions to documentation and shipment coordination, we aim to make the sourcing and export process straightforward and dependable.

We believe long-term business relationships are built through transparent communication, attention to product requirements, and consistent service.

Our Focus

- Indian agricultural products
- Buyer-specific product requirements
- Flexible packaging and private-label discussions
- Export coordination and documentation support

Our Product Range

We offer a selection of Indian spices, pulses, and herbs for international buyers seeking product-specific supply and export coordination.

Our portfolio includes whole spices, powdered spices, chickpeas, pulses, psyllium products, and moringa leaf powder. Product availability, specifications, and packaging options are confirmed according to buyer requirements and order discussions.

Spices Products

The Flavours We Bring from India

Spices are at the heart of Indian food and culture. We carefully source our spices for the rich aroma, natural colour, and authentic flavour that make them special. From our trusted sourcing network to customers around the world, we take pride in sharing the true taste of India.

Packaging & Private Label Solutions

Packaging Designed Around Your Requirements

We understand that international buyers may require different packaging formats depending on their market, distribution model, and product application.

Primesoil Global LLP supports discussions around buyer-specific packaging and labelling requirements, subject to product availability and supplier capabilities.

Packaging Discussions May Include

- Bulk packaging
- Retail packaging
- Buyer-requested pack sizes
- Private label / OEM packaging
- Product labelling requirements
- Shipment planning and coordination
- BULK 25 kg | 50 kg | Custom
- RETAIL 100 g | 250 g | 500 g | 1 kg
- PRIVATE LABEL Buyer branding & labelling
- CUSTOM Packaging according to market requirements

Packaging materials, sizes, labelling details, and private-label arrangements are confirmed for each order based on product and destination requirements.

Tell Us Your Requirements

Share your product, quantity, preferred packaging, destination, and labelling requirements to discuss a suitable export arrangement.
